

SHIFTING FROM “SECURITY” TO “PEACE” IN KOREA

THURSDAY, MAY 21, 8 PM EST/5 PM PST

Why have the US and North Korea been at war for 70 years? How do we get to peace? What makes us truly secure? Join this webinar with Dr. Han S Park on the need for a radical shift toward a peace paradigm in Korea.

Han S Park is University Professor Emeritus of International Affairs and Founding Director of the Center for the Study of Global Issues (GLOBIS) at the University of Georgia. Dr. Park has visited North Korea more than 50 times since 1981 to further efforts for diplomacy and peacemaking. He was instrumental in President Jimmy Carter's visit to North Korea in 1994 to avert military confrontation and President Bill Clinton's visit to Pyongyang to free detained American journalists in 2009.
